

Musqueam Ladies' Golf Club

We are a group of women ranging from 35 to 95 who will be celebrating the 40th year of the Musqueam Ladies' Golf Club (MLGC) in 2009. We have fun playing here, at this greatly improved course of Musqueam Golf and Learning Academy Course (MGLA). Our golfers range from beginners to great players so you will fit right in. You can join straight away, as we do not have a waiting list.

On **Tuesdays**, from April 1st until October 31st, we play organized games between our designated tee times from 8:00 am through 10.30 am. We play 18 holes and some of our long - playing members who enjoy nine holes are called "Nifty Niners". After our round many of us enjoy lunch together in the banquet room and on the patio.

The season starts with a luncheon at the end of March, when we gather to plan for the upcoming season. We close with another luncheon when the prizes for the year are awarded. We belong to the Canadian Ladies' Golf Association (B.C), who control the handicaps and rules. We enjoy their competitions as well as hosting our own tournaments with prizes and trophies, but most of all... ***we have lots of fun!***

A Season's Pass is needed to join our Ladies' Club. It can be purchased at Musqueam Golf and Learning Academy. The pass entitles you to play golf Monday - Friday, at any time of day, between April 1st and October 31st. The pass is not valid for other leagues or tournaments not hosted by our Ladies' Club.

Some hardy members purchase a Winter Pass, or an Annual Pass to play all year round. There are always friends out there eager to play. An Annual Pass also enables you to play on weekends.

There is a **Social Fee** of \$110, which covers two off course lunches, the BCLGA membership fees, the running of the club, and all the prizes during the year. This is payable to MLGC.

During the **winter**, from November 1st until March 31st, many keep in touch on Tuesday's at the Arbutus Village Recreation Centre to play Contract Bridge. Some past playing members join us then as Social Members. This is a great way to keep in touch with the friends you have made playing golf. Again, the levels are from "kitchen" bridge right through to...! No competitions. Just fun.

Fill in the registration form and leave it at the MGLA golf shop for us.
